Professional Experience

Ritual Matcha	Remote
Data Analyst	July 2026 - Present

- Engineered custom, interactive dashboards directly within Google Workspace using advanced Apps Script, aggregating data from 8+ operational systems into a centralized, real-time view.

Sales Operation Consultant	March 2026 - July 2026
----------------------------	------------------------

- Architected an end-to-end automated inventory and procurement system using Google Apps Script, achieving 100% real-time stock visibility across multiple locations and eliminating manual purchase order generation.

GoRocky	Remote
Growth Analyst Intern	January 2026 - April 2026

- Engineered a comprehensive strategic financial model for a prospective joint venture, projecting a ₱1.7M monthly EBITDA to guide executive decision-making.

Klick n Code	Remote
Founder & Principal Developer	January 2021 - March 2026

- Generated ₱170,000+ in revenue with a 99% profit margin for international retail and gaming clients by implementing modular development frameworks that reduced project delivery time by 40%.
- Streamlined product roadmaps for 10+ global client accounts by translating ambiguous business requirements into scalable automation and e-commerce solutions.

Amada Corporation	Remote
Data Processing Consultant	June 2025-July 2025

- Reduced reporting cycle time by 94% (from 6 hours to <20 mins) by architecting an automated validation workflow that eliminated manual entry bottlenecks.

Primer Group of Companies	Manila, NCR
Admin - Facilities Management Intern	June 2025-July 2025

- Decreased manual aggregation time by 60% by automating the consolidation of monthly logistics reports across multiple branches using Google Apps Script.
- Identified operational bottlenecks during review sessions with the Administration Head to optimize warehouse management and cross-branch logistical workflows.

Leadership & Activities

Celadon Recweek '26	Ateneo De Manila
Project Manager	June 2025 - Present

- Directed a 26-member team across 3 committees to execute the primary annual recruitment campaign, orchestrating 3 major interactive events including an e-sports tournament and digital leaderboards.

Ateneo Gabay 16th Scholars' Week	Ateneo De Manila
Logistics Head	November 2025 - April 2026

- Spearheaded end-to-end logistics and technical execution for five campus-wide events serving 304 total attendees, including a 118-person flagship gathering night.

Ateneo Celadon	Ateneo De Manila
Operations Core + OSR Analyst Rose Sale '26	September 2025 - February 2026

- Scaled a week-long project revenue to ₱300,000+ by engineering a full-stack e-commerce site with real-time inventory tracking, serving 800+ total users and 2,300 total orders.

Grace Robotics Team	Grace Christian College
Team Leader	August 2023 - May 2025

- Led a 10-member team to 1st Place (FLL Philippines 2024) and 7th Place (FLL Open Europe 2024) by directing the development of AI-powered analytics and sensor-based automation.
